1) The Govt of India have sanctioned the relinquishment of the Rly jurisdiction on the branch line of the K.G.D.Rly for one year on the following conditions

(1) that the jurisdiction will be again ceded without demur if at any time the line is extended beyond the limits of the State or is connected with another railway so as to form a through line of communication or if imperial interests demand and

(2) that the Bowringpet station itself will not be involved in the relinquishment and (3) that the Durbar's note No J 5 21 - Legs 5-06-2 of 27/8/1906 be so modified as to include the K.G.D.Rly premises among the exceptions.

The Resident also wants to be informed of the date from which the relinquishment of jurisdiction is to take effect and also a report to be sent as to the result of this arrangement after one year.

railways in the State including the K.G.J.Rly was ceded in 1893 and a Notn to that effect was published by the Govt of India in the Gazette of India (vide Foreign Dept Notn No 507 & 6/2/1896). This notification was republished by this Govt also at that time. According to that Notn the laws in force in the Civil and Military Station, Bangalore are declared to be in force in these tracts and arrangements are made for the purposes of the exercise of the civil and criminal jurisdiction therein. ~~Now~~ Now that jurisdiction is proposed to be given ~~to~~ back to the Durbar this Notn has to be ~~cancelled and a Notn published stating that~~ modified so far as it relates to the K.G.J.Rly premises excluding the Bowringpet Rly Station, and the Mysore Laws & Regns declared applicable to this tract and arrangements for civil & criminal jurisdiction ~~therein~~ made. It is a question for orders whether to such a Notn could be issued by this Govt

or whether the necessary note has to be issued by the Govt of India and this Govt to reissue the same.

3) Again the Residency desire that the date from which the retrocession should take effect should be intimated and this has to be settled after the retrocession is effected the J.G. of Police and Dt Magistrate Kolar &c will have to be asked to report after the lapse of one year on the effect of such an arrangement in the way of reducing the no of cases of theft of mining material &c in the K.G.F.

4) In the 3rd para of the Residency letter under disposal, the Resident requires the modification of Govt note No J 521-Legis 5-06-2 of 27/8/1906 so as to include the K.G.F. Railway premises other than the Bowringpet Ry station among the exception This condition has been accepted by the Durbar in para 3 of Pol. No 893 of 22/4/1913. A draft note to this effect is put up. 5. The points for consideration are :—

(1) Whether the Govt of India should be moved to ~~modify~~ cancel their Notifn No 507 Dy 6-2-1896 so far as it relates to the K.G.F. Ry. ; or whether a notifn by the Mysore Govt declaring that Jurisdn has been ceded back to them by the Govt of India will suffice. The former course seems necessary. Orders are solicited on this point

Flag Z

Yes: Consequential Notification has to issue here :

(2) The date from which the retrocession is to take effect has to be settled & intimated to the Resy Considering the fact that arrangements have to be settled regarding Police ~~arrangements~~ matters etc, some date in the middle of next month or 1st Jany 1914 may be fixed, if approved.

1st Jan seems preferable.

(3) The Durbar have already agreed to exclude the Railway premises from the operation of the Mines Regn. To give effect to this, a draft Notifn amending the previous Notifn on the subject is put up

FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

To

The Dewan of Mysore.

Dated Bangalore, 22nd November 1913.

SIR,

I am directed to refer to Mr. Srinivasiengar's letter No. 893 dated the 22nd April 1913, regarding the jurisdiction over the branch line from Bowringpet to Marikuppam (Kolar Gold Fields Railway)

2. The Resident addressed the Government of India on the subject and I am now to communicate their orders. The Government of India have given the matter careful consideration, and, in view of the fact that the branch line exists practically for the use of the Gold Fields, and may be regarded as an isolated local line, and in the interests of the better police administration of the Gold Fields, they have been pleased to sanction the retrocession of jurisdiction over this line as an experimental measure for one year subject to the conditions (1) that jurisdiction will be again ceded without demur if at any time the line is extended beyond the limits of the State or is connected with another railway so as to form a through line of communication, or if Imperial interests demand, and (2) that the Bowringpet station itself

will

will not be involved in the retrocession. The Resident will be glad to be informed of the date from which the retrocession of jurisdiction is to take effect and to be favoured with a report as to the result of this arrangement after one year.

3. It will now be necessary to revise the Durbar's notification No. J. 521 Legis. 5-06-2 dated the 27th August 1906, extending the provisions of sections 5 to 20 of the Mysore Mines Regulation to the Bowringpet taluk so as to include the railway premises among the exceptions.

I have the honour to be,

Sir,

Your most obedient servant,

First Assistant Resident.
